UNITED STATES FIGURE SKATING :

United States Figure Skating (USFS) is the national governing body for the sport of figure skating in the United States. U.S Figure Skating is comprised of more than 203,000 members. U.S Figure Skating members are able to skate in sanctioned U.S. Figure Skating events. The large majority of members join by finding a local club that can support their skating journey. The Campus Stars Figure Skating Club was started in January 2024. Clubs must skate as an organized club for 6 months before they can apply for USFS membership approval. Once approved, skaters can register for their membership with The Campus Stars FSC! All club members require a U.S Figure Skating membership or an Aspire membership. The Aspire program is an introductory program created by USFS for beginner level skaters.
