WELCOME TO ASPIRE

A program designed to transition skaters from LTS USA to Campus Stars FSC and provides additional instruction to Aspire level club skaters

ABOUT USFS & ASPIRE

U.S. Figure Skating (USFS) is the national governing body for the sport of figure skating in the United States.

Aspire is a program created by USFS to transition skaters from LTS USA to a figure skating club, like The Campus Stars FSC!

Aspire sessions also provide additional instruction to Aspire level club skaters.

Upcoming Aspire sessions and registration can be completed on our club's website!

Campusstarsfigureskatingclub.com

Skaters must first register for Aspire membership with The Campus Stars FSC before signing up for a Campus Stars Aspire Session.

After completing 1 - 2 Aspire Sessions (4-6 week classes), families should start transitioning their skater into full club membership and private lessons. Director Freya Lamb will guide you with this process.

WHAT IS INCLUDED IN A CAMPUS STARS ASPIRE SESSION?

Off Ice Warm Up before On Ice Small Group Lesson.

30 Min On Ice Small Group Lesson

Parent resources sent via Email by Director, Freya Lamb

REGISTRATION STEPS

STEP 1. Find Upcoming Aspire Sessions on Campus Stars Club Website.

STEP 2. Register for an Aspire Membership through Campus Stars Aspire Program (link on Club Website)
You can skip this step if you already have Aspire membership for the season OR already have full club membership

STEP 3. Register for Aspire Session through Daysmart (links on Club Website)

STEP 4: Get ready for first class! Director Freya Lamb will send an introduction to Aspire Session email prior to the first class.
